# WELCOME

Welcome to the 20th Exhibition of Sculpture to be held in the Toorak Village, originally inspired by Xenia Holt and curated by Ken Scarlett OAM in 2002. This unique venue has introduced many sculptor's both emerging and established into developing their talent and direction while making their contribution to art and culture in Australia. This year, for the first time, I have selected a group of indigenous sculptors from Walkatjara Art Uluru and look forward to exhibiting their work. The support of local business has been a key in its support for sculpture, enabling the exhibiting of new concepts and materials that sculptors have spent many hours making. I hope you enjoy the exhibition and the warm welcome of the traders to Toorak Village.
