Welcome

Welcome to the **Fifth Festival of Sculpture** held in the shop windows, laneways and arcades of Toorak Village, a unique shopping strip in the leafy suburbs of Toorak. Organized by the **Toorak Village Traders Association**, the Festival continues to grow as a venue for both emerging and established sculptors. This year I have chosen 110 sculptures to exhibit, and the diversity of work continues to surprise. It is the first year that I have selected overseas entries from Africa and Europe.

The selection of these works and the exhibiting of them continue to challenge. I invite you to view these works and to consider the many ideas and concepts in the windows and displays of the Toorak Village on show for the entire month of May.

The development of the new website www.tooraksculpture.com.au has produced a significant response and an increasing public and artistic awareness of the exhibition and its place in the arts calendar of Australia and now overseas.

This year the Festivals Major Sponsor is **Toorak Place** who has given us the opportunity to broaden the Festival. Sponsorship by **Leader Community Newspapers** has given us extensive editorial coverage. **Marshall White** has kindly provided numerous signboards around Stonnington. Thanks also to **nab** and **TOK H**, and for their generous support.

THE 2006 AWARDS

The Toorak Place Award \$10,000

The Toorak Village Traders Award \$3,500

The Leader Encouragement Award \$1,500

The 12 Sculpture Award \$500

The development of **12 Sculpture** and support for this new initiative by the **City of Stonnington** with sponsorship will give students from the 12 Stonnington Secondary Schools the opportunity to be part of this growing festival.

Finally, I would like to thank all the Artists, Judges and Traders for their time & effort, and the Chairman of the Festival, Tony Fialides for his untiring support and dedication to the continuing success of this annual exhibition.
